### Historical perspective

**Parkland Memorial Hospital: a Dallas diamond in the rough** | [LW Kitchens Jr] | 1997;10:151–155 |

### Medical Ethics

**Communication in the face of critical illness** | [RL Fine] | 1997;10:45–50 |

### Medico-legal issues

A legal overview of medical staff privileges and peer review | [MS Holloway] | 1997;10:51–53 |

Claims of deceptive trade practices and breach of express or implied warranties in medical malpractice litigation | [SM Jordan, JD Criss] | 1997;10:159–162 |

Legislative session brings changes to health care laws affecting physicians | [JD Criss] | 1997;10:191–193 |

### Oncology

### Pharmacology notes

### Radiology

Quarterly radiology case (benign fibrous mesothelioma of the pleura) | [LD Hooper] | 1997;10:97–98 |

Quarterly radiology case (carcinoma of the gallbladder) | [SM Marlar] | 1997;10:189–190 |

Quarterly radiology case (primary Mycobacterium tuberculosis infection) | [LE Summersgill] | 1997;10:39–40 |

Quarterly radiology case (pulmonary sarcoidosis) | [WR Dunfee] | 1997;10:139–140 |

### Reflections

A commentary on the negative aspects of the Canadian health care system and managed care in the USA | [RW Jackson] | 1997;10:156–158 |

An internist’s experience with the National Hockey League | [JC Brooks] | 1997;10:88 |

Dignity and mercy in the intensive care unit | [MM Free] | 1997;10:202 |

### Sports medicine

An internist’s experience with the National Hockey League | [JC Brooks] | 1997;10:88 |
