
Acknowledgment of contributors

Baylor University Medical Center Proceedings couldn't exist without writers or without readers, but it also couldn't exist without financial support. Baylor Health Care System Foundation has been our longest and greatest contributor. We also appreciate the support of the Helen Buchanan and Stanley Joseph Seeger Endowment for Surgery and the Baylor Charles A. Sammons Cancer Center Fund. Here we wish to acknowledge our individual donors who sent in gifts between February 20, 2007, and February 20, 2008.
